## ANNUAL FIELD DAY.

Company L. Will Muster Fifty-three  
Men at State Range in Danielson.

Saturday was a busy day with Co.  
L boys at the army on Valley street  
in preparation for the company's an-  
nual field day today (Monday) at the  
state range at Danielson. Capt. E. E.  
Carpenter said, Saturday, that the  
company would muster 53 men, in-  
cluding the officers. The company  
leaves here on a special car attached  
to the train and at Putnam will  
board two special trolley cars for the  
range. The day will be devoted to  
rifle practice on the 300, 500 and 500  
yard ranges and in connection with  
the rifle practice there will also be  
instructions in guard mount.

Dinner will be served at noon by  
the company cooks. About 500 men  
Arthur W. Sweet, Col. John Hickey  
of the 10th regiment will be present.  
The company will act as ordnance  
officer and Lieut. W. A. Rivard will be  
range officer.

**Miss Irene Potter.**

The funeral of Miss Irene Potter was  
held from her home in South Coventry  
Sunday afternoon at 2 o'clock. The  
service was largely attended and there  
were a number of hand-picked floral  
tributes from relatives, co-workers in  
the mill and friends of the deceased,  
who was well known and popular in  
the village. Rev. M. D. of the  
Methodist Episcopal church was the  
officiating clergyman. Burial was in  
Nathan Hale cemetery. Funeral Direc-  
tor J. M. Shepard of this city was in  
charge of the arrangements.

**Judgment Suspended.**

Lena Vickers Wallin was before the  
police court Saturday afternoon  
charged with larceny. Some time ago  
she was employed at the home of Mrs.  
E. K. Rogers and while there she  
stole a few articles belonging to Mrs.  
Edgerton. At the time of her pre-  
vious arrest she was ill and her case  
was continued, she being allowed to go  
upon her own recognizance. The Wal-  
lin woman left the city and did not  
return until Friday, when she was re-  
arrested by Chief of Police. On Satur-  
day morning judgment was  
suspended and she was permitted to  
go her way.

**No Change in Strike Situation.**

The situation in the strike at the  
Windham Silk company remains un-  
changed. The weavers were un-  
derstandable there are still out of employ-  
ment. The weavers are doing some  
investigating relative to the question  
of wages and have learned that at the  
factory of Joseph A. Martin of this city  
the company recently gave their em-  
ployees an increase in wages. The  
weavers received a ten per cent. in-  
crease and the spinners fifteen per  
cent.

for Overcharge by Former  
President.

The civil action of the Dodge Min-  
ing company came to an end Wednes-  
day at Providence, R. I., when a ver-  
dict for \$1,922 was rendered for the  
plaintiff company, of which Alderman  
Joseph A. Martin of this city is  
president. The action was against  
Stanislaus Fournier, a former president  
of the company. During his adminis-  
tration he purchased a machine to  
break up mineral, paying \$1,200 for it.

and suffer intensely because your sys-

poison that makes thousands helpless  
and kills thousands years before their

need it now.

Start taking it today; in 24 hours  
it will begin to act on kidneys, liver,

tor it was found that Mr. Danahy  
was dead. Medical Examiner Dr. L. V.  
Mason was called and pronounced  
death due to fatty degeneration of the  
heart. He had been ill for some time  
and had been in the hospital for some  
time. He was a native of Willimantic

The bride is Miss Abby Edith, who

and Edwin H. Sykes 23, who claims  
South Framingham as his home. Rev.  
D. D. Stannard, the new pastor of the  
Methodist church, performed the cere-  
mony. Sykes gives his occupation as a  
cook in the United States navy, and  
the fact that he is a sailor is his only  
reason for being married to her. He ex-  
plains by saying that he had only a  
three days' leave of absence from his  
ship, so he could not wait until he was  
in Massachusetts because five days'  
notice of intent to be married is re-  
quired in that state.

## DUMPING GROUNDS SECURED.

Committee Preparing for Clean-Up to  
Begin Next Week.

There will be a lot of hard work to  
be done by the members of the Clean City  
league this week in getting arrange-  
ments for dumping grounds for the  
solid waste of Putnam next week, com-  
mencing Monday. Saturday afternoon  
the members of the general committee  
held a meeting at the Putnam school to  
hear reports of progress and to out-  
line future work. This committee has  
been active and has completed ar-  
rangements for dumping grounds for all  
matter collected. In the rear of the  
Whipple and Gillette place in the  
north end of the city a dumping ground  
where 500 cartons of such matter as  
is collected may be placed has been  
secured. On Woodstock avenue Elric  
Beauclerk has given his permission to  
use a vacant space near the Methodist  
church to be used in a like way. This  
will give places in four different sec-  
tions of the city for disposing of the  
collections of the teams.

## FUNERAL.

**George Peter.**

Funeral services for George Peter,  
26, a subject of Turkey, were held at  
the undertaking rooms of L. E. Smith  
Saturday afternoon. Peter, a mill op-  
erative employed in the town of Thom-  
son died at the Day Kimball hospital.  
Because of the fact that there was a  
delay in signing the death certificate  
there was some delay in carrying out  
the funeral arrangements, an oversight  
being the cause. The certificate was  
finally signed and a burial permit is-  
sued by Town Clerk David Flagg. Bur-  
ial was in the West Thomson cemetery.  
A large number of Peter's countrymen  
came to Putnam in hanks to attend the  
funeral services.

## Assignment of Criminal Cases.

State Attorney Charles E. Searis has  
made the following assignments for the  
trial of criminal cases in the su-  
perior court at Willimantic this week,  
the list being subject to such changes  
as may be necessary: Friday, state vs.  
Joseph Bassett, robbery; state vs.  
Abram Reubens, statutory burglary;  
state vs. Joseph Esterbrook, conceal-  
ing goods sold on a conditional bill of  
sale; state vs. Frank Thomas, breach

state vs. Edgar Rhodes, attempt to de-  
fraud; state vs. Robert Jenkins, rape;

state vs. Arthur Fayette, theft from the

## Fans Yearn for Local Team.

Extra inducements are being offered  
to get a baseball team into action in  
Putnam this season, but up to the  
present time all efforts seem to be  
without avail. It was learned Satur-  
day that a clothing dealer in the city  
has offered one of the former baseball  
managers of Putnam teams to outfit a  
nine with good playing suits if he will  
only get together an organization such  
as this town can produce. Other cor-  
rections have been made as to the  
price at which a playing field can be  
secured. If there is any real baseball  
fandom in town in these offers should  
start something.

## Mothers' Day Observed.

Sunday was observed in Putnam  
churches as mothers' day. The move-  
ment for celebrating the day began in  
May as mothers' day began in 1908,  
and has had a remarkable growth. It  
is still vigorous, as was shown by  
the interest shown in the mothers' day  
celebration in each of the United  
States and in some of its possessions.  
The governors of Porto Rico and Ha-  
waii are among the mothers' day vice  
presidents. The day was observed last  
year in the provinces of Canada, in  
Mexico, South America, Africa, China,  
Japan and some of the islands of the  
sea. The mothers' day leaflet has been  
printed in ten languages.

## SOME MORE, SOME LESS.

Three High School Teachers Have Sal-  
ary Advanced—Others Scaled.

A policy of retrenchment as to teach-  
ers' salaries following the heavy ex-  
pense of maintaining the schools in  
Putnam during the past year was  
manifest at the special meeting of the  
town school committee held Saturday  
afternoon for the purpose of electing  
teachers for the school year beginning  
next September. In view of the fact  
that the cost of the schools in town  
has increased so greatly, the board  
voted to decrease the salary of the high  
school principal to a sum not exceed-  
ing \$1,600, and to decrease the salary  
of the principal of the Israel Putnam

Collier's Weekly, in its issue of September 2, 1911, published an  
article entitled "Here Are Foods That Are Pure," by Margaret Warner.  
There was printed in this article "A List From Which Housewives May  
Choose Without Doubt or Hesitancy." This list was the result of several  
years analytical work by the pupils of the State Normal School at  
Westfield, Massachusetts, under the direction of Professor Lewis B.  
Allen. KING'S PUREMALT is mentioned among the food products of  
absolute pure quality. The endorsement of this preparation and the  
publication of the article by Collier's Weekly was unsolicited by the  
manufacturers.

KING'S PUREMALT, with the addition of hypophosphites of iron  
and lime, is a medicinal tonic recognized for many years as a most  
dependable, strength-giving, body-building liquid food. Only the choicest  
materials are used in its manufacture. It is without an equal and is  
recommended generally by physicians.

KING'S PUREMALT is sold at all drug stores and in strict con-
